## MAKE IT BIGGER DELUXE TREATMENT PROCEDURES:

- This Semi-permanent service eliminates frizz, adds volume and leaves the hair smoother and shinier
- This will last for approximately 4 – 6 weeks.
- Helps to close the cuticle and keep color longer, as well as seals split ends.
- This service reaches optimal potential after 4 – 6 applications.

### How To Perform:

1. Shampoo the hair 2 times with Tela Organic Shampoo.
2. Apply Hair RX Daily Treatment and appropriate Tela Conditioner, 5 minute scalp massage then rinse.
3. Towel dry the hair to remove all excess water (towel dry hair as much as possible). Dip a brush into a bowl containing approximately ½ to 1 ounce of Tela Make It Bigger plus 2 pumps of Tela Color lock +.
4. Taking 1/2 inch sections, apply with brush 1/4 inch away from scalp to ends.
5. Blow dry the hair with Tela Guardian exactly the way it will be styled
6. Taking 1/2 inch sections, flat iron each section 2-3 times, heat temperature from 360 – 400 degree based on hair type. Style either straight or wavy using a Flat Iron.
7. Wait a minimum of 8 - 24 hours before shampooing with Tela Shampoo.

Can be used on all hair types including colored treated and highlighted hair. For best results use Tela Volume Shampoo, Tela Volume Conditioner, and Tela Boost. For retouches, Make It Bigger can and should be overlapped over hair previously treated with Make It Bigger for progressive results.
